

The Arts

Art Show

At the end of each school year, students choose pieces of their personal art work to display & auction off at our Garden Art Show.

Students explore the art form of poetry during National Poetry Month. Parents are invited to enjoy light refreshments and hear the spoken word of the Primary School Students as they recite a favorite poem.

Primary Poet Cafe

Christmas Musical

Participation in our annual school musical is a very important part of our curriculum. Students grow in their sense of self, as well as language, music, art and social skills through their participation in this opportunity in the Fine Arts. Cooperative learning is enhanced through daily rehearsals and realizing a "sense of community". Participation in the final production provides very important life lessons for all students. All musical themes are Biblically based and provide a developmentally-appropriate faith lesson, as well. Participation in the annual school musical is an integral part of learning at the Primary School and is mandatory for all students.
