

Primary School Uniforms

Primary School students are required to wear uniforms to school. Students are required to purchase two sets of uniforms: Daily Wear and Dress Plaids. We consider dressing in compliance with the uniform dress code to be the responsibility of both the parent and the student. Students not in compliance will be sent home.

Daily Wear

Shirts

Polo shirts, embroidered with the school logo and name, will be worn to school on a daily basis. These shirts are ordered directly through the school three times each year (June, September and January). Order forms will be sent out accordingly. Polo shirts come in navy or white and are available in short sleeve or long sleeve.

Bottoms

Daily uniform bottoms may be purchased at www.frenchtoast.com or local retailers. All bottoms must be basic tan colored khaki. Bottoms must be designed and labeled as “school uniforms”. Please do not purchase basic street clothes. Students may wear pants, capri pants, shorts, skirts, skirts or jumpers. All shorts and skirts must reach just above the knee. Girls must wear shorts under skirts.

Accessories

Jackets and sweaters must be purchased in SOLID NAVY. Students must wear white tennis shoes and white socks. A brown or black belt should be worn in belt loops. Hair accessories and jewelry may be worn as long as it doesn't take away from the overall uniform look.

Dress Plaids

Dress plaids are worn for special field trips or events. These items must be the French Toast brand. Please visit www.frenchtoast.com to find a list of local retailers or order online.
